

Curriculum

Our curriculum is what we want the children to learn in the time they are with us. Therefore, all children will be respected and their individuality and potential recognised, valued and nurtured. Tailored activities and the use of play equipment will offer children opportunities to develop in an environment free from prejudice and discrimination. Appropriate opportunities will be given to children to explore, acknowledge and value similarities and differences between themselves and others.

The Nursery provides a curriculum for the foundation stage of education. This curriculum is set out in a document, published by the Qualifications and Curriculum Authority and the Department for Education and Skills, and called The Early Years Foundation Stage. Our Nursery follows this guidance.

The aims of the curriculum are to: -

- Stimulate imagination and creativity
- Enrich language
- Form the basis for understanding Mathematics
- Come to terms with the child's own life and develop expression of feelings
- Develop manipulative skills
- Explore and enjoy natural materials
- Develop muscular strength and co-ordination
- Use symbols and patterns as a basis for reading and writing
- Value all types of people
- Develop social awareness
- Create habits of listening and concentrating
- Extend understanding of science
- Develop the five senses
- Develop independence

All Key persons NOTICE and plan each day, week, month and terms; planning for each child uniquely based on their level of interests and how they lead their own play.

Parents can view a copy of the weekly planning sheet in the main rooms. There is a liaison between the nursery and parents to establish children's new interest, fascinations and curiosity.

The curriculum sets out goals – Desirable Learning Outcomes (DLO's) - for children to achieve by the time they enter compulsory education, which are:

- Personal, Social and Emotional development

- Communication and Language development
- Physical development
- Mathematics
- Literacy development
- Understanding the World
- Expressive Arts and Design development
